FIFTEENTH POST-CONFIRMATION STATUS REPORT

This Fifteenth Post-Confirmation Status Report is filed in accordance with the Post Confirmation Order and Notice, dated February 13, 2007 (the “Effective Date”), in connection with the cases of the above-captioned reorganized debtors (collectively, the “Debtors”). Since the filing of the Fourteenth Post-Confirmation Status Report on July 15, 2010 for Adelphia Communications Corporation and Certain of its Affiliated Debtors, describing the Debtors’ progress subsequent to the confirmation of the First Modified Fifth Amended Joint Chapter 11 Plan for Adelphia Communications Corporation and Certain of its Affiliated Debtors, dated as of January 3, 2007, as Confirmed (the “Plan”),¹ for each of the Debtors other than the JV Debtors² by the order dated January 5, 2007 (the “Confirmation Order”), the Debtors, as reorganized pursuant to the Plan, have taken the following steps, among others, in connection with consummation of the Plan.

- Continued settlement efforts on the remaining twenty-two Disputed Claims yet to be resolved³.
- Completed the sale of 75% of Adelphia’s Brazilian cable operation under an asset purchase agreement between Adelphia and an unrelated third party (“Buyer”). Adelphia retains a 25% equity interest in the new enterprise that can be put to the Buyer during the 1 year period starting on October 1, 2012 and ending on September 30, 2013 for R\$14.7 million (Brazilian Reais). Under certain circumstances the beginning of the put period may be accelerated to April 1, 2012. The Buyer’s obligation to pay Adelphia upon the exercise of the put is secured by \$7.0 million of cash in an escrow account.

¹ Capitalized terms used but not defined have the meanings ascribed to such terms in the Plan.
² The JV Debtors are comprised of the following legal entities: Century-TCI California, L.P.; Century-TCI California Communications, L.P.; Century-TCI Distribution Company, LLC; Century-TCI Holdings, LLC; Parnassos Communications, L.P.; Parnassos Distribution Company I, LLC; Parnassos Distribution Company II, LLC; Parnassos, L.P.; Parnassos Holdings, LLC; Western NY Cablevision, L.P. The Third Modified Fourth Amended Joint Plan of Reorganization Under Chapter 11 of the Bankruptcy Code for the Century-TCI Debtors and Parnassos Debtors, dated as of June 28, 2006, was confirmed by order dated June 29, 2006.
³ This estimated total excludes certain Disputed pre-petition Bank Claims.

- The Adelpia Recovery Trust reached an agreement in principle on September 22, 2010 to settle its claims against Adelpia's Pre-Petition Lenders and Investment Banks in the suit entitled *Adelpia Recovery Trust v. Bank of America, N.A., et al.*, No. 05 CIV 9050 (S.D.N.Y.). The agreement in principle is subject to the execution of a definitive settlement agreement and court approval of the settlement. Adelpia expects the motion to approve the settlement will be filed shortly and the hearing to approve the settlement presently is scheduled to be held on November 18, 2010. Upon approval of the settlement, Adelpia expects it will be able to expunge 723 disputed Bank Claims remaining on its claims register.
- The following activity has occurred since June 30, 2010 and through September 30, 2010:

	<u>Cash</u>	<u>Stock</u> ^(a)	<u>Total</u>

- (b) Net plan disbursements include \$1.1 million of LIF disbursements net of \$0.3 million of net tax refunds.
- (c) Operating costs include payroll and payroll benefits of \$1.1 million; professional expenses of \$0.8 million; contract labor of \$0.3 million; and other net (income) expense of (\$0.5) million.

- The remaining assets are held in reserve and are related to the following pending matters:
 - Various banks have asserted Claims against Adelpia for interest in excess of interest that was Allowed and paid or otherwise reserved. Such interest is defined as Grid Interest in the Plan. The Plan reserves for such claims total \$117.1 million. Adelpia disputes these claims and the matter is currently pending before the Bankruptcy Court. A status conference with the Court was held on October 4, 2010. During the status conference, the Court scheduled a trial date for the matter on December 13, 2010.
 - Claims for professional fees incurred in pursuit of the confirmation of the Plan were submitted by various professionals. Such fees are referred to as Settlement Party Fee Claims in the Plan. The Plan reserves for such claims total \$88.1 million. These claims are before the Bankruptcy Court pending approval. To the extent the fees are not approved by the court, they will be returned to holders of Allowed Claims in the Class for which distributions were reduced by the applicable fee claims.
 - The remaining reserves total \$143.8 million and include LIF reserves, Bank Claim reserves, Estate operating reserves and other required reserves.

Annexed to this report as Exhibit A is an updated chart summarizing the distribution of cash and shares of TWC common stock made to classes of Claims. This chart reflects all distributions made through September 30, 2010. The chart does not reflect (i) the distributions of CVV units or distributions on account of such units from the Adelpia Recovery Trust and (ii) additional distributions that may be made after September 30, 2010 as a result of the release of escrows, reserves and holdbacks pursuant to the Plan.

APPENDIX A

The following chart summarizes the distributions of cash and shares of TWC Common Stock to holders of allowed claims under the Plan made through September 30, 2010. It does not reflect the distributions of CVV units or distributions on account of each unit from the Adelphia Recovery Trust. Actual distributions may vary due to rounding. The chart is based on the assumption that distributions made to Indenture Trustees for the benefit of the underlying noteholders will not be subject to holdback or reduction with respect to any claims of the applicable Indenture Trustee. The chart does not reflect additional distributions that may be made after September 30, 2010 as a result of the release of covenants, reserves and holdbacks. The amount and timing of additional distributions resulting from the release of the covenants, reserves and holdbacks are subject to the terms and conditions of the Plan and numerous other conditions and uncertainties, many of which are outside the control of Adelphia Communications Corporation and its subsidiaries.

APPENDIX A

The following chart summarizes the distributions of each and shares of TWC Common Stock to holders of allowed claims under the Plan made through September 30, 2010. It does not reflect the distributions of CVV units or distributions on account of such units from the Adolphia Recovery Trust. Actual distributions may vary due to rounding. The chart is based on the assumption that distributions made to Indenture Trustees for the benefit of the underlying noteholders will be distributed in their entirety to the noteholders and will not be subject to holdback or reduction with respect to any claims of the applicable Indenture Trusts. The chart does not reflect additional distributions that may be made after September 30, 2010 as a result of the release of escrows, reserves and holdbacks. The amount and timing of additional distributions resulting from the release of the escrows, reserves and holdbacks are subject to the terms and conditions of the Plan and numerous other conditions and uncertainties, many of which are outside the control of Adolphia Communications Corporation and its subsidiaries.

(1) \$51. China is not all quantified, but are believed to be significant. ACC Common Stock interests are not limited as to recovery.
 (2) Based on liquidation preference.
 (3) Because this chart is designed to depict, among other things, the distribution deficiencies between and among CVV interest classes, the basis of presentation of information in this chart differs from the basis of presentation utilized in prior disclosures regarding distributions to creditors; accordingly, recovery percentages and other information may not be comparable to information set forth in such prior disclosures.
 (4) Does not reflect the actual post-effective date dividend with respect to CVV interest.
 (5) Distributions pursuant to the Plan may not exceed the allowed amount of a claim. To the extent that cash and TWC Common Stock otherwise would be paid to the holders of ACC Senior Notes China in excess of the allowed amount of their claims, such amounts, interest, are allocated to holders of ACC Subordinated Notes China ("the Spillover"). However, by virtue of the "pay-over" provisions contained in the Subordinated Indentures which "pay-over" provisions are expressly preserved by the Plan, the Spillover is paid to the holders of the ACC Senior Notes.
 (6) Number of shares of TWC Class A Common Stock presented have not been adjusted to reflect the TWC 1-6% reverse stock split and the \$10.27 per share special cash dividend, see note 10.
 (7) Effective March 12, 2009, the Declared Value was adjusted from \$77,803.8 to \$82,001.4 to reflect the TWC 1-for-3 reverse stock split and the \$10.27 per share special cash dividend. The Common Stock presented here were distributed after and reflect the reverse stock split.
 (8) Reflects the excess of reserves established for Settlement Party For China over the amount distributed to Allowed Settlement Party For China holders. Such excess will be distributed to the holders of China in the Class whose distribution was initially reduced by the Settlement Party For China. The timing of such distribution will be determined by the Plan Administrator.
