**INFORMATION ON DISTRIBUTION TO CERTAIN CLASSES OF CLAIMS**

The following chart summarizes the distributions of cash and shares of TWC Class A Common Stock to holders of allowed claims under the Plan made through June 30, 2008. It does not reflect the distributions of CVV units or distributions on account of such units from the Adelpia Recovery Trust. Actual distributions may vary due to rounding. The chart is based on the assumption that distributions made to Indenture Trustees for the benefit of the underlying noteholders will be distributed in their entirety to the noteholders and will not be subject to holdback or reduction with respect to any claims of the applicable Indenture Trustee. The chart does not reflect additional distributions that may be made after June 30, 2008, as a result of the release of escrows, reserves and holdbacks. The amount and timing of additional distributions resulting from the release of the escrows, reserves and holdbacks are subject to the terms and conditions of the Plan and numerous other conditions and uncertainties, many of which are outside the control of Adelpia Communications Corporation and its subsidiaries.
