SUPPLEMENTAL POST-CONFIRMATION STATUS REPORT

This Supplemental Post-Confirmation Status Report is being filed after the Forty-Fifth Post Confirmation Status Report, which was filed on April 16, 2018, in order to provide supplemental information impacting Adelphia Communications Corporation (“Adelphia”). Since the filing of the Forty-Fifth Post-Confirmation Status Report, during the Debtors’ preparation of the 2017 tax return and a review of the recent 2017 tax law changes, Adelphia discovered the potential for a federal tax refund of approximately \$87,000,000 that may be available under the new tax law, subject to potential sequester of approximately 7% of the refund amount. If the refund is subject to sequester at a 7% rate in each of the four consecutive years beginning in 2019, the potential \$87,000,000 refund would be reduced to approximately \$81,000,000. If available, the potential tax refund would be payable over four consecutive years, beginning in 2019, at 50% of the total refund amount remaining unpaid, except for the last year (2022), in which 100% of the total refund amount remaining unpaid would be payable. There can be no assurance that the refund will be received.
